## Main Street After School Program Transportation Permission Slip

Dear Parent/Guardian,

As part of our After School Programming, we offer pickup from the Barnegat School District after school to our facility. Additionally, students may opt in during the year to participate in off-site field trips. Transportation will be provided via the church's privately owned **Type S1 bus**, operated by a **licensed CDL driver**. Please review the details below and provide your consent.

### Bus Behavior Expectations:

- Campers must remain seated with seatbelts on at all times.
- No standing, moving, throwing things, or being destructive is permitted.
- Failure to follow these rules may result in exclusion from future trips.

**Camp staff will supervise and ensure safety protocols are followed.**

---

### Parental Consent (Check all boxes):

- ☐ I give permission for my child to ride the facilities bus for field trips.
- ☐ I understand the bus has seatbelts that must be worn and give permission to Main Street staff to assist with my child's seatbelt as needed.
- ☐ I agree to the stated behavior expectations for my child while riding the bus.
